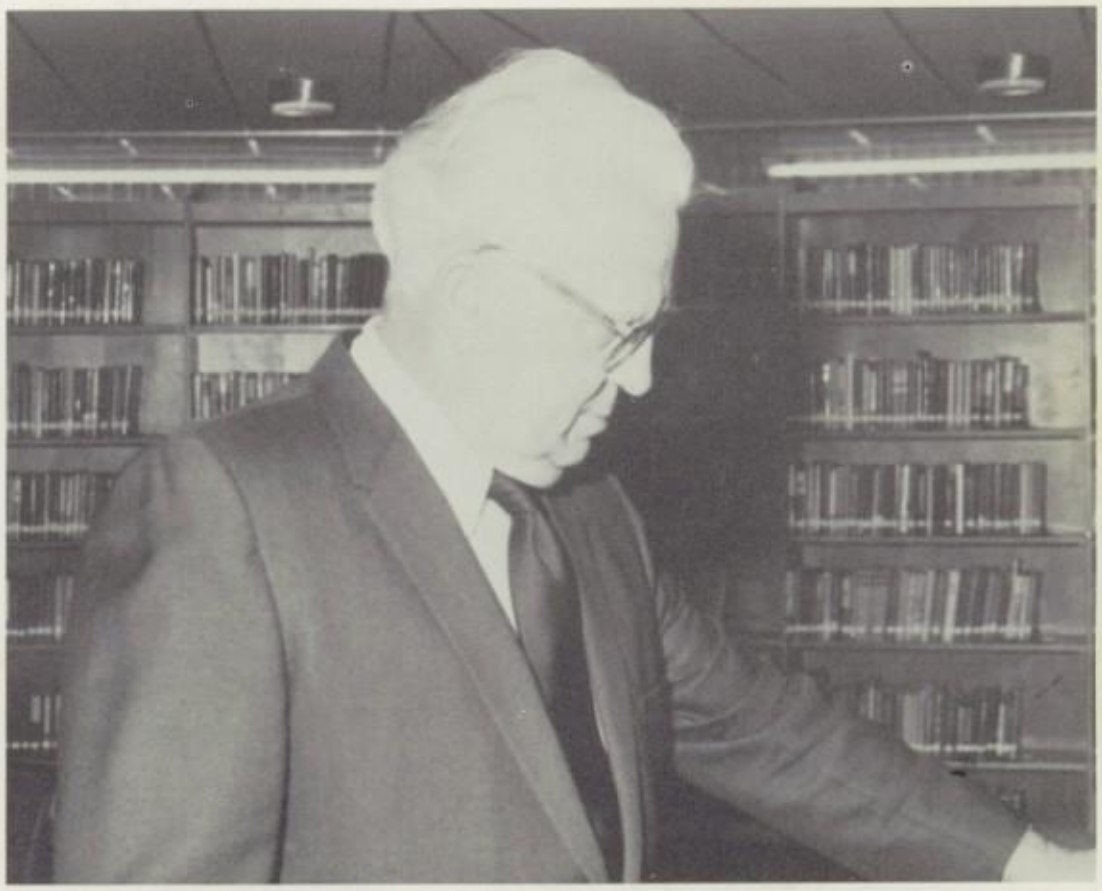
In Appreciation

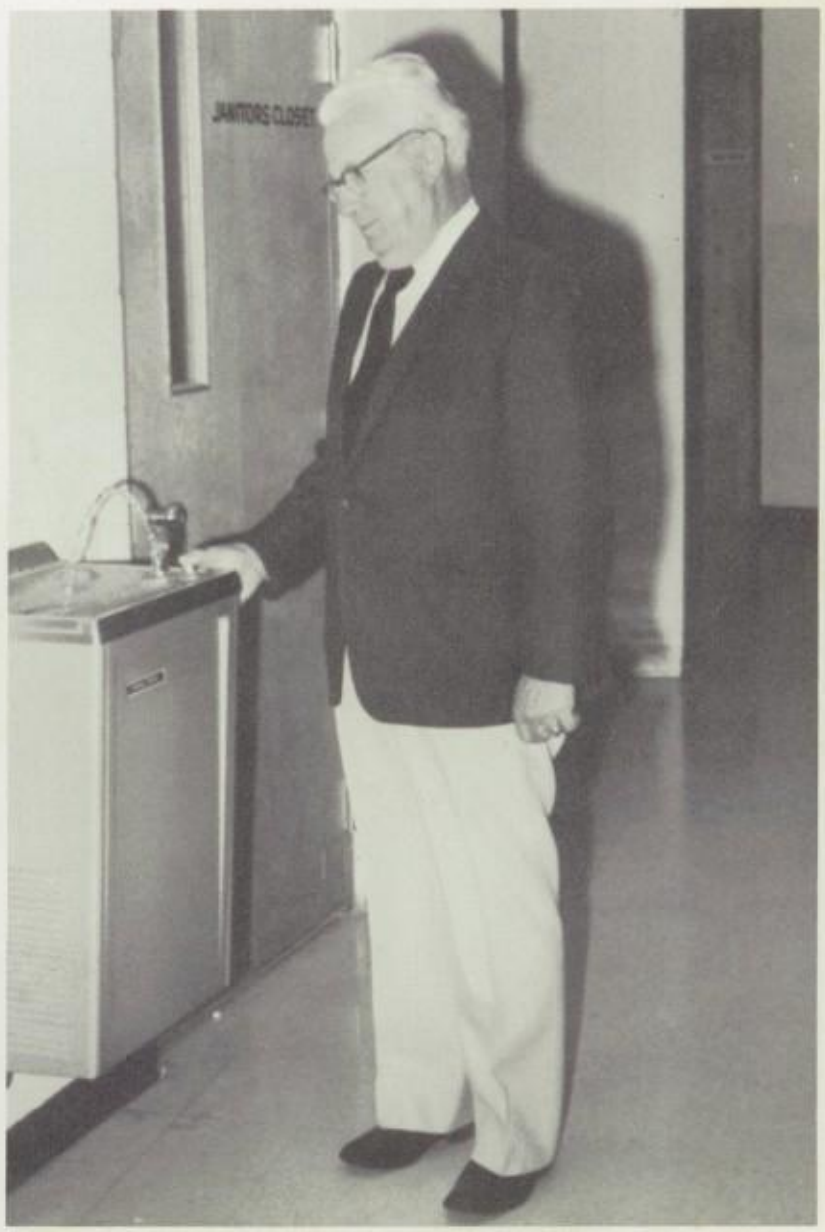
Our deep appreciation goes to Mr. Hill for the many years he has served the Westside school district and for the valuable guidance and counseling he has given to both students and faculty.

His professional experience covers 41 years and ranges from teaching eight grades by himself at Cash Lake to serving as superintendent of the Westside school district. He coached basketball for 16 years, leading his teams to many state and district championships. From 1942-45 his school career was interrupted while he served in the U.S. Air Force.

Mr. Hill has always been active in both educational and civic organizations. He is presently serving as chairman of the Craighead County Superintendent's Association.

Best wishes to Mr. Hill as he retires. He will be missed by all.





Student

Student life at Westside is not always books, and tests. Talking at lockers; relaxing in class, on campus and in the gym; and just plain goofing off are also a part of a typical day.

Sit-In

On Jan. 24, 1980 the Senior High students had a sit-in after the lunch break in support of Charles Vondran. The students didn't want Mr. Vondran to leave Westside and this was their way of showing him how they felt.

Mr. Williams called Mr. Vondran to the gym when the students did not go to class. Mr. Vondran was very surprised to find out that the sit-in was for him. After expressing his appreciation to the students, he told them to go back to class after a ten minute break, which they did.

After the Junior High lunch all students in the Junior High stayed in the gym, where they were joined by the Senior High students. TV-8 news covered the rally as students chanted and shouted, "We want Vondran." They would not leave till Mr. Vondran spoke with them. Since he had to come from Jonesboro Vo-Tech there was a 45 minute delay. When Mr. Vondran arrived at Westside all the students swarmed around him asking him not to leave. After he talked with students he again asked them to go to class and things returned to normal.

King and Queen

David Massey and Jannie Kirby

"Moonlight and Roses" was the theme the Junior Class selected for the Senior Prom. The festivities began with the grand march and the presentation of the king and queen. A delicious buffet was served throughout the evening and music was provided by a DJ. Elaborate decorations of satin roses, latticed archway, wishing well, and fountain transformed the gym into a beautiful setting for the entertainment of the seniors.

Christmas Program

Choir students have had a busy year filled with activities of all kinds. An educational and profitable experience was the fund-raising drive held to buy outfits for our groups. New challenges were met by participation in the All-Region Choir tryouts on both the Junior and Senior High levels. Consistent hard work always pays off; and to show this to be true, ratings of "Good" and "Excellent" were awarded to both Junior and Senior Choirs at the Regional Choir Festivals.

The choral department, being one of the performing arts, also presented programs to the student body, the elementary schools, and to parents and friends in the community throughout the year. The Fine Arts Festival was exceptionally successful. We, along with the art and band students, look forward to bigger and better years to come.

Each month of the school year contains some memorable band related events. In September the band provided music for the Grand Opening Ceremonies for the Craighead County Fair. There were two home football game half-time performances in September. In October the band participated in the Henderson State University Marching Contest at Arkadelphia. That was a trip we will long remember especially those who were serenaded at Casa Bonita. There were two more home football game performances and we ended the month with a Masquerade Party that was enjoyed by all who attended. We started off November by participating in the ASU Band Day festivities. With the close of football season we soon started playing at basketball games. We finished November with a very cold Jonesboro Christmas Parade. December's agenda included Jr. Clinic tryouts at Manila and Jr. Clinic in Jonesboro, the Paragould Christmas Parade (we won $75), more basketball games and the holidays. In January we had Sr. Clinic tryouts at Marked Tree and Sr. Clinic at ASU, plus more basketball games, All-State tryouts at Conway and All-State at Little Rock. In March we started right out with Solo and Ensemble contests at Pocohontas, our big project for the year. The Mid-South Gospel Singing Convention and March ended with concert contest at Osceola. April's activities included our Spring Concert on the 17th and Marching Band tryouts on the 28th. The final month of May was very busy from the first with our big band Banquet and Skate Party, then came Graduation Exercises on the 9th and then the most memorable event, the visit from Miss America to Westside sponsored by the Band Booster Club. This year, as you can see, we stayed busy representing our school and community in a positive way.

Elaine Lambie, the high school counselor, touches the life of each student in a special way. She demonstrates a genuine concern for people, an understanding of their needs and an ability to help. These fine qualities have made her an effective counselor throughout the seven years she has been at Westside. For her many contributions it is a pleasure to dedicate the 1980 Warrior to Elaine Lambie.

That undefeated conference mark enabled them to become the 1979 3AA Central Jr. Football Champions. All the boys contributed equally to the program and can be equally proud of winning the district. I hope you'll enjoy our yearbook. Several new features which cover the school year are included.

Thanks go to a number of people who helped produce the 1980 Warrior; the staff and sponsor, Mrs. Hyatt, for working hard to complete the job; also those who helped during the summer. The support of the administration, the faculty, Mr. and Mrs. Sawyer, Wilson Studio, and Brown Graduation is also appreciated.
